

About White Bird Free Dental Services

Twice a month White Bird Dental hosts a **Free Dental Clinic** at the Bethel Health Center, located within Cascade Middle School. (Entrance is on North side of the building next to the pool).

Any student in Bethel School District is eligible for this urgent dental care. These services include: fillings, extractions and other restorative services. This service is free of charge, though we will attempt to get reimbursement from your insurance carrier whenever possible to help

this program succeed. Whatever money is collected from insurance resources and grant, we invest back into our patients.

If you have concerns and believe your child needs urgent care or would like us to provide supplementary care (sealants and fluoride) please fill out a **consent form**, sign and return to the Bethel Health Center, a school nurse, or the health assistant in your school.

Assistance can be provided for Oregon Health Plan sign up if you are eligible.
