**POLICY**

Sexual conduct, as defined by this policy, by District employees, contractors<sup>1</sup>, agents<sup>2</sup>, and volunteers<sup>3</sup> is not tolerated. All District employees, contractors, agents, and volunteers are subject to this policy.

“Sexual conduct,” means verbal or physical conduct or verbal, written or electronic communications by a school employee, a contractor, an agent or a volunteer that involve a student and that are sexual advances or requests for sexual favors directed toward the student, or of a sexual nature that are directed toward the student or that have the effect of unreasonably interfering with a student’s educational performance, or of creating an intimidating, hostile or offensive educational environment. “Sexual conduct” does not include touching that is necessitated by the nature of the school employee’s job duties or by the services required to be provided by the contractor, agent or volunteer, and for which there is no sexual intent.

“Student” means any person who is in any grade from prekindergarten through grade 12 or 21 years of age or younger and receiving educational or related services from the District that is not a post-secondary institution of education, or who was previously known as a student by the person engaging in sexual conduct and who left school or graduated from high school within 90 days prior to the sexual conduct.

Any District employee, contractor, agent or volunteer who has reasonable cause to believe that a student has been subjected to sexual conduct by another District employee, contractor, agent or volunteer, or that another District employee, contractor, agent or volunteer has engaged in sexual conduct with a student shall immediately report such suspected sexual conduct to the designated licensed administrator or the alternate designated licensed administrator for their school building. If the Superintendent is the alleged perpetrator the report shall be submitted to the Human Resources Director who shall report the suspected sexual conduct to the Board chair.

If an employee fails to report suspected sexual conduct or fails to maintain confidentiality of records, the employee will be disciplined up to and including dismissal.

When the designated licensed administrator receives a report of suspected sexual conduct by a District employee, contractor, agent or volunteer, the administrator will follow procedures established by the District and set forth in the District’s administrative regulation JHFF/GBNAA-AR - Suspected Sexual Conduct Report Procedures and Form. All such reports will be reported to the Oregon Department of Education (ODE) or Teacher Standards and Practices Commission (TSPC) as appropriate, for investigation. The agency receiving a report will complete an investigation regardless of any changes in the relationship or duties of the person who is the alleged perpetrator.
