POLICY

Student possession, use, distribution or sale of tobacco products or inhalant delivery systems on any District property or grounds, including parking lots, or while participating in school-sponsored activities is prohibited and will result in disciplinary action.

Student substance abuse, possession, use, distribution or sale of alcohol, or unlawful drugs, including drug paraphernalia or any substance reported to be an unlawful drug, on or within 1,000 feet of any District property or grounds, including parking lots, or while participating in school-sponsored activities is prohibited and will result in disciplinary action. If possession, use, distribution or sale occurred on or within 1,000 feet of District grounds, disciplinary action may include removal from any or all extracurricular activities and/or denial or forfeiture of any school honors or privileges (e.g., valedictorian, salutatorian, student body, class or club office positions, senior trip, prom, etc.). If possession, use, distribution or sale occurred on District grounds, at school-sponsored activities or otherwise while the student was under the jurisdiction of the school, students will be subject to discipline up to and including expulsion. Denial and/or removal from any or all extracurricular activities and/or forfeiture of any school honors or privileges may also be imposed. A student may be referred to the appropriate law enforcement agencies. Parents will be notified of all violations involving their student and subsequent action taken by the school.

A referral to community resources and/or cessation programs designed to help the student overcome tobacco product, inhalant delivery system, alcohol or unlawful drug use may also be made. The cost of such programs are the individual responsibility of the parent and the private health care system.

Clothing, bags, hats and other personal items used to display, promote or advertise tobacco products, inhalant delivery systems, alcohol or unlawful drugs are prohibited on all District grounds, including parking lots, at school-sponsored activities and in District vehicles.

Any person under age 21 possessing a tobacco or inhalant delivery system product is in violation of county ordinance (and is subject to confiscation of tobacco products).

Any person who distributes, sells or allows to be sold, tobacco products or any substance sold for the purpose of being smoked, vaporized or aerosolized, in any form, a tobacco-burning or inhalant delivery system device, to a person under 21 years of age on District property or grounds, including parking lots, or while participating in school-sponsored activities is in violation of county ordinance and is subject to a court-imposed fine.

An unlawful drug is any drug as defined by the Controlled Substances Act including, but not limited to, marijuana, cocaine, opiates, amphetamines and phencyclidine (PCP). As used in this policy, unlawful drug also means possession, use, sale or supply of prescription and nonprescription drugs in violation of Board policy and any accompanying administrative regulation.

Unlawful delivery of a controlled substance to a student or minor within 1,000 feet of District property is a Class A felony, as provided by ORS 475.904.
